

INVITATION to EUPAVE's 10th Workshop on Best Practices in Concrete Paving

Dowels and tie-bars in concrete pavements

14 May 2025

**14:00 till 16:30 followed by a
cocktail reception**

EUPAVE Offices (& online)

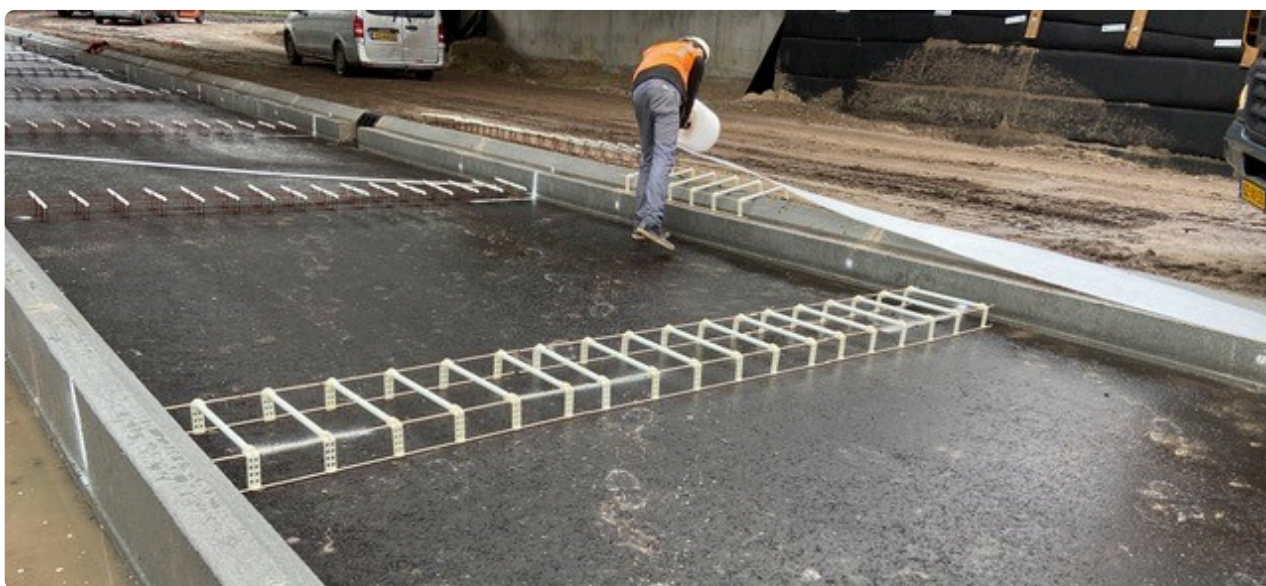

Avenue des Arts, 20 - 1000 Brussels

This **hybrid event** will feature presentations from our members and partners on their products and techniques. Sessions will focus on design, materials, standards and best practice. Confirmed speakers include Dirk Brentzel from Otto Brentzel, Tom Roos from Roos Groep, as well as Pascal Buys from Robuco, Anne Beeldens from AB-Roads and Luc Rens, Technical Director of EUPAVE.

We look forward to your participation in this informative and interesting event.

Free participation!

REGISTER HERE BY 9 MAY 2025
